

REJUVENATION

20 December 2009 to 31 October 2010

Programme Description: Following a consultation our health specialist will devise a programme that rebalances and rejuvenates your body and spirit. Therapies will combine herbs, oils and massage to elicit a relaxing response from your nervous system and help purge toxins. Combined with diet and regime, the result will be enhanced youthfulness and energy. Our exquisite surroundings will encourage a state of harmony, and the sheer luxury of our resort will provide intense relaxation, both essential to your rejuvenation.

The nightly package includes:

- Minimum of 4 nights accommodation
- Round trip airport transfers
- Full board inclusive of personalised health cuisine (at all outlets, except Farang Ses)
- Personalised health assessment
- Prescribed therapeutic head and body works by health specialist
- Back and foot therapies
- Wellness education
- Life regimen
- Daily participation in physical and spiritual activities
- Complimentary use of steam and chromo bath and fitness facilities

Daily rates are based on a minimum of 4 consecutive nights.
