

STRESS RELIEF

1 April 2008 – 31 March 2009
 (Close-out: 19 December 2008 – 6 January 2009)

Programme Description: Our health specialists will help you maintain a state of balance and focus; both essential for wise decision making. Anyone dealing with a multitude of tasks, people and emotions each day, will find this extremely beneficial. The focus is on detoxifying and calming therapies. Ayurvedic compresses, oils and persuasive massage techniques will clear muscle blockages and relieve tension. Our recommended life regime and diets will decrease stress. Above all though, the serene surroundings and deep luxury of our resort will leave your mind free to reap the benefits of our programme.

The nightly package includes:

- Minimum of 4 consecutive night accommodation
- Round trip airport transfers
- Full board inclusive of personalised health cuisine (at all outlets, except Farang Ses)
- Personalised health assessment
- Prescribed therapeutic head and body works by health specialist
- Back and foot therapies
- Wellness education
- Life regimen
- Daily participation in physical and spiritual activities
- Complimentary use of steam and chromo bath and fitness facilities

Daily rates are based on a minimum of 4 consecutive nights.
