

Women's Healthcare

Duration: 3 – 21 days
Hours of Treatments per Day: 4 hours

Price: 3 days at THB 38,500++

Programme Description:

Dedicated to providing knowledge for every phase in a woman's life, our programme allows each guest this wonderful opportunity to balance her mind and body and learn the best natural ways to maintain her state of equilibrium. The consultation with our Ayurvedic health specialist helps you to know your body's constitution and how to address specific hormonal issues. This healthcare programme encompasses a wide range of Ayurvedic, traditional and holistic treatments which are equally calming, soothing, detoxifying and rejuvenating. Amidst the splendour of our resort's natural beauty and the grandeur of our Dheva spa, women can return to a sense of serenity and vitality.

This programme includes:

- ☞ Minimum of 3 day period
- ☞ 4 hours of treatment per day
- ☞ Personalised health assessment
- ☞ Prescribed therapeutic head and body works by health specialist
- ☞ Back and foot therapies
- ☞ Wellness education
- ☞ Life regimen
- ☞ Daily participation in wellness activities
- ☞ Complimentary use of steam and chromo bath and fitness facilities

Remarks:

The therapies recommended in each programme are subject to change as advised by your health specialist. The purpose is to choose the best possible treatment to suit individual needs.

Terms and Conditions:

- ☞ The meals are not included in this package, but food recommendations are advised.
- ☞ This package includes only the cost of treatments.

*Price is subject to 10% service charge and 7% government tax.
