VitaMan – Men's Treatments

The Oriental Spa is delighted to introduce its first men's only line of products and treatments, VitaMan, to cater to our male guests who want to look and feel their best at all times. VitaMan is an Australian brand which utilises the ancient wisdom of Australia's indigenous people who have been using rare plants, fruits and herbs to heal wounds, cleanse, moisturise and protect the skin and condition the hair and scalp for thousands of years.

Twelve years in the making, VitaMan was developed by naturopath-herbalist, Glenn Kiddell, and Clare Matthews, international skincare lecturer and beauty therapist as they realized a need for a comprehensive natural men's skincare range. In 1999, they launched VitaMan and in 2005, VitaMan was voted No.1 male grooming brand at the Beauty Challenge Awards in Paris.

Offering stylish, masculine packaging with natural masculine aromas, VitaMan does not use harmful chemicals, artificial colours or fragrances.

VitaMan DETOX

60 minutes

Weekday HKD 960 / Weekend HKD 1,040

This facial treatment was specifically designed to tackle common concerns felt by men with a focus on eliminating the build up of toxins and grime. It also promotes improved hydration resulting in cleaner, softer and smoother-looking skin. Special techniques have been designed and incorporated into this treatment to cater for the differences required in a men's facial. This treatment can also help acne-prone skin and improve blemishes and problem skin.

MUSCLE REVIVER Massage

60 / 90 minutes

Weekday HKD 1,000/HKD 1,200
Weekend HKD 1,080/HKD 1,280

With an aim to alleviate deep-seated muscular aches from over-exercise, stress and a hectic lifestyle, this deep-tissue, tension-releasing massage eases the pain and stiffness that accompanies joint and muscle strain. A special muscle stretching technique offers deep tissue release to relax and soothe tired muscles. Using a unique sports massage oil and wax, localized areas of tension and discomfort can be thoroughly soothed whilst a muscle-relaxing massage dissipates tension throughout the rest of the body. Finally the VitaMan Desert Muscle Rub is used on isolated areas to give effective results and instantly revive tired muscles.

Combine either of these treatments with the VitaMan City Stress Buster (deep pressure scalp massage) for the ultimate release of tension and clarity of thought at **HKD 420 (weekday)** and **HKD 470 (weekend)**.

All spa guests get complimentary use of The Oriental Spa's heat and water facilities.
